

# ART & CRAFT MARKET

## STEWART ELEMENTARY

### CALL FOR VENDORS

**EVENT DATE: SATURDAY, OCTOBER 7 | 10 AM - 2 PM**

#### WHERE

Stewart Elementary is the oldest continuously-operating school in Columbus in the heart of German Village on Columbus' South Side. Stewart's learning garden facing Schiller Park along City Park Ave. is a prime location for this event. German Village, Merion Village, Schumacher Place, the Brewery District, and broader South Side are within walking distance.

In case of inclement weather, the Art & Craft Market will move inside to Stewart's gymnasium.

#### PROMOTION

STAY will promote to its large membership through email and social media and will also work with Stewart Elementary to promote to Stewart families. STAY will also work with Collaborative 5 partners (German Village Society, Actor's Theatre, Garten Club, & Village Connections) to promote the Fair across all social media channels with targeted, paid advertising, in the German Village Gazette (This Week), and on all event channels for Columbus (CBUS Underground, Alive, etc.). Vendors are also encouraged to share with their networks and followers.

#### WHAT

This is the second annual STAY Art & Craft Market. Last year, a 200+ people attended. The market will also include live music and kids' art activities.

**This year, Vendors are asked to donate \$25 to the Stewart Elementary School PTO.** The PTO exists to engage parents, support and appreciate teachers, and help make Stewart one of the best schools in Columbus. Cash or a check (made out to "Stewart PTO") can be given the day of the event.

**To request a spot, email:

*Vendors will be considered based on what they are selling. Our goal is to have a diverse line-up of art and crafts available for purchase. Please include your name, a brief description of what you intend to sell, and any special considerations. Please include a logo if able.*

*Vendors must provide their own table and tent if needed.*

Southside STAY works to support and improve neighborhood public schools in the South High pathway. It recently joined the **Collaborative 5**, along with the German Village
